MONDAY NIGHT STUDY GROUP is starting a new session Mon., June 6th at 6:30pm at MAC. The Mass is nothing short of amazing. Through it, we encounter God in the most intimate way possible as we hear Him speak to us in the Liturgy of the Word and as we receive Him Body and Blood, Soul and Divinity in the Holy Eucharist. In his video-based study *A Biblical Walk Through the Mass*, Dr. Edward Sri explores the roots of the words and gestures we experience at Mass and explains their profound significance. This fascinating tour of the Mass will renew your faith and deepen your love for and devotion to the Holy Eucharist. For questions, please contact Jackie Palic at 620.382.3757.

“CATHOLICS OF MARION COUNTY” is a private Facebook Group to keep up-to-date on happenings within our parish. Contact Theresa Cady at 620.382.7216 if you have questions.

PRO-LIFE Answers to False Pro-Choice Arguments

"Every child a wanted child".

Prior to the legalization of abortion over 46 years ago, advocates for abortion held out the panacea of the elimination of "unwanted children" if only abortion was legal. In fact, it was Planned Parenthood, which led this charge, coining the familiar slogan, "Every child a wanted child". Despite the fact that some 60 million "unwanted" babies have died in the intervening period, the pro-choice lobby still uses this argument to justify abortion.

In the 1960' and 70's the pro-choice position was that legalizing abortion would drastically reduce child abuse. America legalized abortion and during the next 46 plus years, child abuse has skyrocketed. Yet, despite this staggering increase in child abuse, the pro-choice lobby continues to tie itself in knots by now arguing that making abortion illegal would cause an increase in child abuse!!! How many more millions of children do we have to kill before their scheme starts to work?

We all agree that every child should be wanted. This is an idealistic goal, but sadly we do not live in an idyllic world. Wouldn't it also be a wonderful world if there were no unwanted wives, no aging unwanted parents, no unwanted Jews, blacks or Catholics or anyone else who is devalued or persecuted?

Moreover, since when does anyone's right to live depend upon someone else wanting them? Women rightfully resent that the value of a woman is sometimes determined by whether a man wants her. How can anyone possibly insist that the value of an unborn baby is to be determined by whether a mother wants him or her at any given time? To use being wanted by someone as a measure of whether a human life is allowed to live is a truly frightening concept. Its converse logically awaits us --- that the unwanted can be eliminated. Don't forget that Hitler's Germany was ideal for wanted Aryans.

To make sense, the slogan: "*Every child a wanted child*" has to be completed "*and if not wanted, aborted.*" To complete the sentence removes the mask from this misleading slogan and reveals it for the evil that it is!

VALUE THEM BOTH: On August 2nd, we will have our chance to protect women and babies in Kansas by voting YES for the VALUE THEM BOTH Amendment to our state constitution.

Flyers with more information are in the back of our churches.
