BOOK STUDY: *The Hidden Power of Silence in the Mass* is a roadmap to encountering God in the silence of our hearts as we participate in the liturgy. A great aspect of this book is a behind-the-scenes look into the priest's quiet prayers. Normally, we see those prayers only if we pay attention to the whisper over the microphone. *The Hidden Power of Silence in the Mass* is designed to give the reader a closer look into the meaning of movements and how each one connects to the Eucharist. All with an overarching goal of our self-offering, letting go of struggles, placing our wounds in God's heart, and offering them to God through the silence of our hearts. Beginning Mon., Oct. 21st at 6:30pm at the MAC. Contact Jackie Palic at 620.381.4445.

Boniface is a retreat leader, spiritual director, world-class speaker, and author of books on prayer, spiritual direction, and silence in the Mass. POPE FRANCIS TWEETS:
True wealth is found in our encounter with God and other people, especially with the weakest who tend to be “discarded” by a false culture of wellbeing. Together we can build a world in which the dignity of each person is fully recognized and respected.
The Our Father is the prayer of Jesus. Everything is contained in it! The Lord's Prayer is the universal prayer of all children; it is the great prayer of trust.
